MEMORANDUM FOR: Chief, MPSS/DI

STAT FROM:

[Redacted]

Chief, New Building Project Office, OL

SUBJECT: Space Allocated for MPSS in the New Headquarters Building

Several attempts have been made to layout space for MPSS in the New Headquarters Building (NHB). Each design had deficiencies that were difficult to resolve without using more of the DI square footage than originally anticipated. Bearing this in mind, we are deferring the final MPSS, IPC, and NAASW layouts to Facilities Management Division (FMD), OL. FMD will revisit the requirements of all NHB occupants and make the necessary adjustments to square footages and/or construction at that time.
